**NNABA'S EXCITING NEW PROJECT: NATIVE AMERICAN
ATTORNEY RESEARCH INITIATIVE**

Did you know that the legal profession has never formally studied the perceptions, experiences and career trajectories of Native American attorneys? We want to change that, and invite you to be a part of the **first-of-its-kind study of Native American attorneys across the legal profession.**

To enhance the full understanding and inclusion of Native American attorneys, we are embarking on an exciting new project: a comprehensive research project on Native American attorneys that examines their perspectives, experiences, and career trajectories.

We seek your support on this groundbreaking study.
