**NNABA SEEKS RECOMMENDATIONS FOR APPOINTMENTS
FOR CALIFORNIA GOVERNOR EDMUND G. BROWN JR.**

The National Native American Bar Association (NNABA) is seeking recommendations for appointments for both full-time and part-time positions by California Governor Edmund G. Brown Jr. **I encourage you all to spread this message to your networks in search of qualified candidates.**

Governor Brown has made improving diversity and inclusion in the gubernatorial appointments process a hallmark of his administration, and NNABA applauds Governor Brown in his efforts. Governor Brown has received out to NNABA to solicit recommendations for qualified Native American lawyers living in California who would like to be appointed to either part-time boards or commissions or full-time attorney positions in the state government. For the full-time positions, persons must be willing to relocate to Sacramento, and private-sector experience is highly favored.

There is an immediate need for a lawyer interested in serving on the Uniform Law Commission for California. For the Uniform Law Commission appointment, experience in legislative affairs is a plus.

If you would like to be recommended, please send a detailed resume to NNABA President Mary Smith at marysmith828@hotmail.com by November 19, 2014, and please indicate what type of position in which you are interested.
