- Provide guidance and represent clients in state, federal and tribal regulation policies in areas such as air quality, water quality, waste management and site remediation
- Provide legal services for Tribal governments, including drafting resolutions, correspondence, contracts, agreements, amendments to tribal codes, policy and procedure, legal memoranda, intergovernmental agreements, pleadings and documents
- Support clients with implementation of sustainability initiatives, including renewable energy projects
- Lend subject matter environmental litigation support (both civil and administrative) with litigation team
- Work collaboratively with other attorneys and support staff to provide high quality service to our clients
- Perform other related duties as assigned

**QUALIFICATIONS AND EDUCATION REQUIREMENTS:**

- J.D. from ABA accredited law school
- Admitted to practice or eligible for admission to practice in the State of Wisconsin
- Strong academic credentials and an interest in environmental and energy solutions, including sustainability matters, is required
- Indian and tribal Law experience preferred
- The ideal candidate:
  - Has 3+ years of experience as an associate at a leading law firm
  - Possesses superior organizational and time management skills
  - Is detail-oriented and capable of a high degree of accuracy
  - Exhibits superior verbal and written communication skills and comfort with both telephonic and face-to-face communications
  - Shares a commitment to client service, professional excellence, integrity and teamwork
  - Has proven ability to work within fast-paced team environment with multiple deadlines and demands both internally and externally
- Interest in a collaborative, intellectually stimulating environment with a strong desire to contribute to team and client success
