

WE'RE HIRING

Assistant General Counsel– Water, Environment & Natural Resources:

The Assistant General Counsel’s responsibilities will cover a wide range of legal matters that would typically confront a general counsel’s office, including: providing a diverse range of legal advice to the Pueblo; performing high level legal research and analysis in various areas of law and policy specifically in relation to water and environmental law and policies; and serving as the primary contact and expert for the Pueblo’s water and natural resource legal matters, subject to the direction and oversight of the General Counsel.

The Pueblo of Sandia offers one of the best comprehensive Benefits Package which includes Medical, Dental, Vision, Flexible Spending plan, Matching 401 (k) and a generous PTO plan.
